Pet Turf

Our Pet Turf is designed for comfort and utmost durability with thatch composition. It can thus withstand moderate to heavy traffic for rough play and performance. This product's backing is coated with polyurethane for added strength.

Recommended Use: Moderate to Heavy Traffic
Main Application: Landscape
Colors: Field Green/Lime Green/Brown

Main Advantage

- Designed to truly replicate grass
- A 1 inch blade height helps to achieve a natural appearance
- Uniquely formulated polyurethane coated backing provides greater seam strength and durability
- Not water soluble
- Heat and frost resistant
- UV stabilized
- No harmful environmental effects
- Non-flammable, ant-acid yarn resistant to chemical attack
