

Sierra Pro

Sierra Pro Turf is one of the latest products in our lines of high quality artificial grasses. The unique composition and less uniform blade design along with a mixture of field green and lime green colors accurately replicate real grass. The soft texture of the blades make this turf ideal for any residential yard or commercial application.

Recommended Use: Moderate to Heavy Traffic
Main Application: Landscape
Colors: Field Green/Lime Green/Brown

Main Advantage

- Designed to truly replicate grass
- A 1.875 inch blade height helps to achieve a natural appearance
- Uniquely formulated polyurethane coated backing provides greater seam strength and durability
- Not water soluble
- Heat and frost resistant
- UV stabilized
- No harmful environmental effects
- Non-flammable, ant-acid yarn resistant to chemical attack
