

Marquee Pro Natural

The Marquee Pro Natural product features field green and lime green colors with brown thatch. This 80 ounce product will match any warm coastal climate's surrounding plant life. The brown thatch allows for a more earthy tone to blend with an arid climate. The soft and thin blades give this turf a luxurious feel while the thick pile height allows for moderate to heavy traffic usage.

Recommended Use: Moderate to Heavy Traffic
Main Application: Landscape
Colors: Field Green/Lime Green/Brown

Main Advantage

- Designed to truly replicate grass
- A 1.875 inch blade height helps to achieve a natural appearance
- Uniquely formulated polyurethane coated backing provides greater seam strength and durability
- Not water soluble
- Heat and frost resistant
- UV stabilized
- No harmful environmental effects
- Non-flammable, ant-acid yarn resistant to chemical attack
